

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
DELTA COLLEGE AND DELTA COLLEGE  
FACULTY ASSOCIATION, MEA/NEA  
Course Enrollment Overload**

This Memorandum of Understanding ("MOU") is entered into between and among Delta College ("College") and the Delta College Faculty Association, MEA/NEA ("DCFA") (individually, a "Party" and collectively, the "Parties"). The Parties hereby agree to the following terms, understanding that this MOU cannot be changed unless by a written agreement signed by an authorized representative of each Party.

Article 14.9 B Course Enrollment Overloads Payment Computation of the current CBA states "If Faculty agree to add/overload additional student(s) to a specific course section and approved of by the Associate Dean, the Faculty will be compensated, per student, in a manner equivalent to the Individual Instruction per student rate for each student. Faculty may add/overload students per course section with Associate Dean approval."

The purpose of this MOU is to amend this article for the remainder of the current CBA by establishing a maximum overload of five (5) students per course section and by specifying the applicable census dates for calculating overload compensation, as well as the corresponding payment dates for each semester.

For the Winter 2026 semester only, overload compensation shall be calculated and paid pursuant to Article 14.9(B) of the current CBA as it existed prior to this MOU, including payment for approved overload students in excess of five (5), as the MOU was not in effect at the start of that semester.

Corresponding census and payment dates for each semester can be found on Attachment A (attached).

Except as expressly amended by this Memorandum of Understanding, all other terms and provisions of Article 14.9(B) of the current CBA shall remain in effect.

All terms in the CBA and in other MOUs between the Parties not inconsistent with this MOU shall continue to apply. This MOU is not precedent-setting and cannot be used as evidence of a practice or policy at the College. Once this MOU is signed by each Party, it shall be effective immediately.
