Delta College Wireless Printing
via Email

1. Start a new email in your email application and attach your desired file(s) to the email.
2. The subject and text of the email aren't used by the system, so they can be blank if your email application doesn't restrict that.
3. Enter one of the following emails in the "To" line:

Location	Email
Library Print Release Kiosk (Main Campus)	LibraryEmailPrint@delta.edu
Midland Center Office	DCMCEmailPrint@delta.edu
Planetarium Gift Shop	DCPLEmailPrint@delta.edu
Saginaw Center Learning Commons	DCSCEmailPrint@delta.edu

4. Pick up your printed document at the location associated with the email. Library (main campus) print jobs will need to be released by signing into a print release station.
